Notice to Exhibitors

Course Familiarization and Warm-Ups Handlers in all classes are permitted to walk the course without a dog prior to the start of the class as directed by the judge to plan their strategy. Judges briefing will outline the course and answer handler questions. A warm up jump will be provided for each ring.

Measuring and Height Card Information When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the **Dogs To Be Measured List**.

Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Height Divisions Judges reserve the right to measure dogs without a valid height card. Dogs **may not** enter both **Regular** and **Preferred** classes for the same set of trials for the weekend.

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
24"C"	DNA	Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Dogs that run in a division lower than their proper height will be eliminated. Preferred dogs must run at their measured height.

Ringside Exhibitors are responsible for being at ringside when it is their turn to run. Gate Stewards are only following directions to keep the trial moving smoothly for all. Please treat all volunteers working this trial for you with respect.

Catalogs Pre-order - \$7.50 each. A limited number of catalogs will be available for purchase at the site - \$10.00 each. Running Order sheets will be posted and will be available online to exhibitors for download at the ATS website <http://agilitytrialservices.com/html/schedules.html> after closing. You may print a copy in advance (if desired) in lieu of copies available during the trial weekend.

Liability No entry fee will be refunded if the Trial cannot open or be completed by reason of riots, civil disturbance, fire, act of God, public emergency, act of public enemy or any other cause beyond the control of the organizing committee. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused by Vet or judge or barred from the competition by act of the Trial Committee.

Collars At the handler's option the dog may wear a FLAT or rolled leather collar but there shall be no attachments hanging or otherwise on collars. Choke collars, pinch collars, electric and dummy collars, Halties and Gentle leaders are prohibited. Food, toys and whistles or other training devices are not allowed in the course area.
